

### Safety Data Sheet

SDS EU format according to COMMISSION REGULATION (EU) 2020/878 Issue date: 11/30/2011 Revision date: 1/2/2023 Supersedes version of: 7/19/2017 Version: 5.00

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1. Product identifier

| Product form |
|--------------|
| Name         |
| Trade name   |

: Mixture

- : Anti-corrosion Epoxy Primer
- : PROTECT 366

### 1.2. Relevant identified uses of the substance or mixture and uses advised against

### 1.2.1. Relevant identified uses

Use of the substance/mixture : The product is intended for professional use

### 1.2.2. Uses advised against

No additional information available

### 1.3. Details of the supplier of the safety data sheet

NOVOL Sp. z o.o. Żabikowska 7/9 62-052 KOMORNIKI Poland T 0048618109800 - F 0048618109809 www.novol.com E-mail address of competent person responsible for the SDS : dokumentacja@novol.com

### 1.4. Emergency telephone number

Emergency number

: 112

### **SECTION 2: Hazards identification**

### 2.1. Classification of the substance or mixture

| Classification according to Regulation (EC) No. 1272/2008 [CLP]   |      |
|---|------|
| Flammable liquids, Category 3                                     | H226 |
| Skin corrosion/irritation, Category 2                             | H315 |
| Serious eye damage/eye irritation, Category 2                     | H319 |
| Skin sensitisation, Category 1                                    | H317 |
| Hazardous to the aquatic environment – Chronic Hazard, Category 3 | H412 |

Full text of H- and EUH-statements: see section 16

### Adverse physicochemical, human health and environmental effects

No additional information available

### 2.2. Label elements

### Labelling according to Regulation (EC) No. 1272/2008 [CLP]

Hazard pictograms (CLP)

|                         | GHS02 GHS07                                 |
|-------------------------|---|
| Signal word (CLP)       | : Warning                                   |
| Contains                | : xylene                                    |
| Hazard statements (CLP) | : H226 - Flammable liquid and vapour.       |
|                         | H315 - Causes skin irritation.              |
|                         | H317 - May cause an allergic skin reaction. |
|                         | H319 - Causes serious eye irritation.       |
|                         |   |

### Safety Data Sheet

SDS EU format according to COMMISSION REGULATION (EU) 2020/878

| Precautionary statements (CLP) | <ul> <li>P210 - Keep away from heat, hot surfaces, sparks, open flames and other ignition sources.<br/>No smoking.</li> <li>P261 - Avoid breathing vapours, spray.</li> <li>P271 - Use only outdoors or in a well-ventilated area.</li> </ul>                  |
|--------------------------------|--|
| EUH-statements                 | <ul> <li>P312 - Call doctor if you feel unwell.</li> <li>EUH205 - Contains epoxy constituents. May produce an allergic reaction.</li> <li>EUH211 - Warning! Hazardous respirable droplets may be formed when sprayed. Do not breathe spray or mist.</li> </ul> |

### 2.3. Other hazards

Contains no PBT/vPvB substances ≥ 0.1% assessed in accordance with REACH Annex XIII

The mixture does not contain substance(s) included in the list established in accordance with Article 59(1) of REACH for having endocrine disrupting properties, or is not identified as having endocrine disrupting properties in accordance with the criteria set out in Commission Delegated Regulation (EU) 2017/2100 or Commission Regulation (EU) 2018/605 at a concentration equal to or greater than 0,1 %

### **SECTION 3: Composition/information on ingredients**

### 3.1. Substances

### Not applicable

### 3.2. Mixtures

### Safety Data Sheet

SDS EU format according to COMMISSION REGULATION (EU) 2020/878

Note 10 : The classification as a carcinogen by inhalation applies only to mixtures in powder form containing 1 % or more of titanium dioxide which is in the form of or incorporated in particles with aerodynamic diameter  $\leq$  10 µm.

Note C : Some organic substances may be marketed either in a specific isomeric form or as a mixture of several isomers. In this case the supplier must state on the label whether the substance is a specific isomer or a mixture of isomers.

Note V : If the substance is to be placed on the market as fibres (with diameter <  $3 \mu m$ , length >  $5 \mu m$  and aspect ratio  $\geq 3:1$ ) or particles of the substance fulfilling the WHO fibre criteria or as particles with modified surface chemistry, their hazardous properties must be evaluated in accordance with Title II of this Regulation, to assess whether a higher category (Carc. 1B or 1A) and/or additional routes of exposure (oral or dermal) should be applied.

Note W : It has been observed that the carcinogenic hazard of this substance arises when respirable dust is inhaled in quantities leading to significant impairment of particle clearance mechanisms in the lung. This note aims to describe the particular toxicity of the substance; it does not constitute a criterion for classification according to this Regulation.

Full text of H- and EUH-statements: see section 16

### **SECTION 4: First aid measures**

### 4.1. Description of first aid measures

| First-aid measures general   | : General information. Refer to section 11.   |
|--|---|
| First-aid measures after inhalation                                      | : If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing.   |
| First-aid measures after skin contact                                    | : After contact with skin, take off immediately all contaminated clothing, and wash<br>immediately with plenty of water and soap. Rinse skin with water/shower. If skin irritation or<br>rash occurs: Get medical advice/attention. If skin irritation continues, consult a doctor. |
| First-aid measures after eye contact                                     | <ul> <li>Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy<br/>to do. Continue rinsing. Call a physician immediately. In case of contact with eyes, rinse<br/>immediately with plenty of water and seek medical advice.</li> </ul>        |
| First-aid measures after ingestion                                       | : If swallowed: rinse mouth. Do NOT induce vomiting. Call a physician immediately.  |
| 4.2. Most important symptoms and ef                                      | fects, both acute and delayed   |
| Symptoms/effects after inhalation<br>Symptoms/effects after skin contact | <ul><li>Vapours may cause drowsiness and dizziness.</li><li>Prolonged or repeated contact may cause skin to become dry.</li></ul>   |

Symptoms/effects after eye contact : May cause eye irritation.

### 4.3. Indication of any immediate medical attention and special treatment needed

Treat symptomatically.

| SECTION 5: Firefighting measures                               |  |  |  |
|--|--|--|--|
| 5.1. Extinguishing media                                       |  |  |  |
| Suitable extinguishing media<br>Unsuitable extinguishing media | <ul><li>Dry chemical, CO2, alcohol-resistant foam or waterspray.</li><li>Do not use a heavy water stream.</li></ul>                      |  |  |
| 5.2. Special hazards arising from the substance or mixture     |  |  |  |
| Hazardous decomposition products in case of fire               | : Carbon monoxide. Other toxic gases.  |  |  |
| 5.3. Advice for firefighters                                   |  |  |  |
| Protection during firefighting                                 | : Do not attempt to take action without suitable protective equipment. Self-contained breathing apparatus. Complete protective clothing. |  |  |

### **SECTION 6: Accidental release measures**

### 6.1. Personal precautions, protective equipment and emergency procedures

### 6.1.1. For non-emergency personnel

### Protective equipment

: Remove ignition sources. Ensure that there is a suitable ventilation system. Avoid any direct or indirect contact with ingredients released. Avoid contact with skin and eyes. Use personal protective equipment as required. See Section 8.

### Safety Data Sheet

SDS EU format according to COMMISSION REGULATION (EU) 2020/878

#### 6.1.2. For emergency responders

Protective equipment

: Do not attempt to take action without suitable protective equipment. See Section 8.

### 6.2. Environmental precautions

Avoid release to the environment. Do not allow to enter into surface water or drains. Do not allow product to reach ground water, water bodies or sewage system, even in small quantities.

#### 6.3. Methods and material for containment and cleaning up

For containment

: Cover spill with non combustible material, e.g.: sand, earth, vermiculite. Mechanically recover the product.

### 6.4. Reference to other sections

Disposal considerations. See Section 13.

| SECTION 7: Handling and stora            | ige   |
|--|---|
| 7.1. Precautions for safe handling       |   |
| Precautions for safe handling            | : Ensure good ventilation of the work station. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Use only outdoors or in a well-ventilated area. Wear personal protective equipment. |
| Hygiene measures                         | : Wash contaminated clothing before reuse. Contaminated work clothing should not be allowed out of the workplace. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.               |
| 7.2. Conditions for safe storage, in     | cluding any incompatibilities   |
| Technical measures<br>Storage conditions | <ul><li>Ground/bond container and receiving equipment.</li><li>Store in a well-ventilated place. Keep cool. Keep container tightly closed.</li></ul>  |

### 7.3. Specific end use(s)

No additional information available

### **SECTION 8: Exposure controls/personal protection**

### 8.1. Control parameters

#### 8.1.1 National occupational exposure and biological limit values

### 8.1.5. Control banding

No additional information available

### 8.2. Exposure controls

### 8.2.1. Appropriate engineering controls

### Appropriate engineering controls:

Ensure good ventilation of the work station.

### Safety Data Sheet

SDS EU format according to COMMISSION REGULATION (EU) 2020/878

### 8.2.2. Personal protection equipment

#### Personal protective equipment symbol(s):

#### 8.2.2.1. Eye and face protection

Eye protection: Safety glasses

### 8.2.2.2. Skin protection

### Skin and body protection:

Wear suitable protective clothing

### Hand protection:

Protective gloves

| Hand protection   |                      |                   |                |             |          |
|-------------------|----------------------|-------------------|----------------|-------------|----------|

### 9.2. Other information

#### 9.2.1. Information with regard to physical hazard classes

No additional information available

#### 9.2.2. Other safety characteristics

No additional information available

### **SECTION 10: Stability and reactivity**

#### 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

#### 10.2. Chemical stability

Stable under normal conditions of use.

### 10.3. Possibility of hazardous reactions

No dangerous reactions known under normal conditions of use.

### 10.4. Conditions to avoid

Keep away from sources of ignition. Prevent build-up of electrostatic charges (e.g, by grounding). Protect from sunlight. Avoid high temperatures.

### 10.5. Incompatible materials

No contact with: strong acids, strong bases and strong oxidants.

### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Thermal decomposition may produce : Carbon monoxide. Other toxic gases.

### **SECTION 11: Toxicological information**

### 11.1. Information on hazard classes as defined in Regulation (EC) No 1272/2008

| Acute toxicity (dermal) :       | Not classified (Based on available data, the classification criteria are not met)<br>Not classified (Based on available data, the classification criteria are not met)<br>Not classified (Based on available data, the classification criteria are not met) |

### Safety Data Sheet

SDS EU format according to COMMISSION REGULATION (EU) 2020/878

| Special packing provisions (IMDG) | : PP1 |
|-----------------------------------|-------|
| EmS-No. (Fire)                    | : F-E |
| EmS-No. (Spillage)                | : S-E |
| Stowage category (IMDG)           | : B   |

#### Air transport

No data available

### 14.7. Maritime transport in bulk according to IMO instruments

Not applicable

### **SECTION 15: Regulatory information**

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

#### REACH Annex XVII (Restriction List)

Contains no substance(s) listed on REACH Annex XVII (Restriction Conditions)

#### **REACH Annex XIV (Authorisation List)**

Contains no substance(s) listed on REACH Annex XIV (Authorisation List)

### **REACH Candidate List (SVHC)**

Contains no substance(s) listed on the REACH Candidate List

### **PIC Regulation (Prior Informed Consent)**

Contains no substance(s) listed on the PIC list (Regulation EU 649/2012 concerning the export and import of hazardous chemicals)

### POP Regulation (Persistent Organic Pollutants)

Contains no substance(s) listed on the POP list (Regulation EU 2019/1021 on persistent organic pollutants)

### Ozone Regulation (1005/2009)

Contains no substance(s) listed on the Ozone Depletion list (Regulation EU 1005/2009 on substances that deplete the ozone layer)

#### **Explosives Precursors Regulation (2019/1148)**

Contains no substance(s) listed on the Explosives Precursors list (Regulation EU 2019/1148 on the marketing and use of explosives precursors)

### Drug Precursors Regulation (273/2004)

Contains no substance(s) listed on the Drug Precursors list (Regulation EC 273/2004 on the manufacture and the placing on market of certain substances used in the illicit manufacture of narcotic drugs and psychotropic substances)

#### 15.1.2. National regulations

No additional information available

#### 15.2. Chemical safety assessment

No chemical safety assessment has been carried out

### **SECTION 16: Other information**

#### Indication of changes:

SDS EU format according to COMMISSION REGULATION (EU) 2020/878.
